

Introducing Belmont 1900

Bellmont 1900 has door styles and finishes that can give you the style and feel of a Tuscan Villa, a Southwest Hacienda, a Craftsman Bungalow, or an edgy Metropolitan Penthouse. With Belmont's affordable custom capabilities and tremendous selection of storage enhancements, form and function will live in harmony.

The beautifully finished 1 1/2-ply Birch plywood not only provides lighter weight durability and the look of a real wood cabinet interior, but the peace of mind that comes with using a wood panel material that meets current CARB compliance for ultra-low formaldehyde emissions.
